Dear Mr. Summis:-

My Mother is making
me a gift of your book of songs so
I am sending for that immediately.
You will find the money-order
for a dollar and a half enclosed.
I am anticipating much pleasure
from acquaintance with the songs.

Dear Mr. Summis:

Being a native daughter of the Golden West and a singer (Dramatic Contralto) I am doubly interested in the "Old songs of California" and hope you can spare me a copy which Mr. McGroarty says are now in print and to be had from you. I am sure

there is no one who could do
this work any better than you
as one must live with songs
to know and love them.

Hoping to hear from you
and if there is a monetary
obligation to be advised.

Sincerely

Marion Ramon Wilson
